Houston's Future Continues Here

Located in Fort Bend County, the **fastest growing county in the US**

9 of the nation's top master-planned communities are in Houston -
4 of which are in Fort Bend County

- 1 Cross Creek Ranch
- 2. Aliana
- 3. Riverstone
- 4. Sienna Plantation

Foster Farms 3 Fort Bend

HOUSTON

The **number one** destination in the U.S.
(U-Haul, 2017)

DIVERSE • PROGRESSIVE • LUCRATIVE • AFFORDABLE

The **largest city** in the Southern U.S.

With a growing population of **6.6 million**,
Houston is the 4th largest city in the U.S.

The Houston Metro area has **more residents** than 33 states

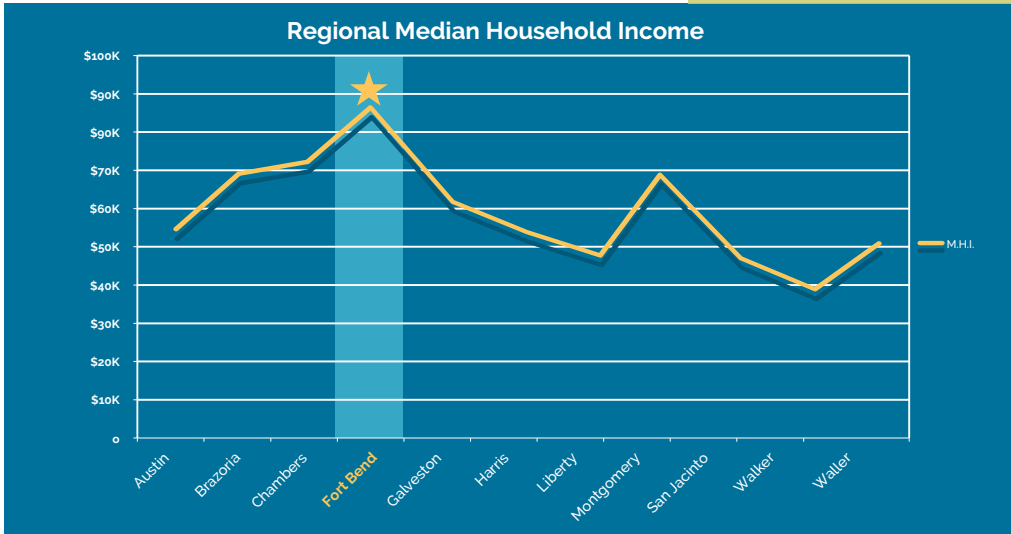

If Houston were an independent nation, it would rank as the **world's 30th largest** economy

By 2030, Houston will add **2.7** million people and overtake Chicago as America's **3rd Largest US city**

Fort Bend County

The fastest **growing, large county** in America
(U.S. Census Bureau, 2017)

Highest percentage of **college graduates** in the Houston MSA

Located in Fort Bend County, the **most diverse community in the US**

One of Houston's **largest** tracts, available in the **largest** demand area

Safe and Secure Investment

Opportunity to conservatively invest for **today and the future**

1,700 Acres exclusively for superior amenities - Parks, Trails, Recreation

Diversity, Schools, Amenities = Successful master planned community

Ready for Development

Development issues resolved or in resolution

- **Utility Services:** 5 municipality and 1 levee improvement districts created
- **Permitting:** Levee plan approved
- **Property Access:** Proposed Texas Heritage Parkway

Future potential uses

Foster Farms - An ideal master **planning opportunity**

Fort Bend County has:

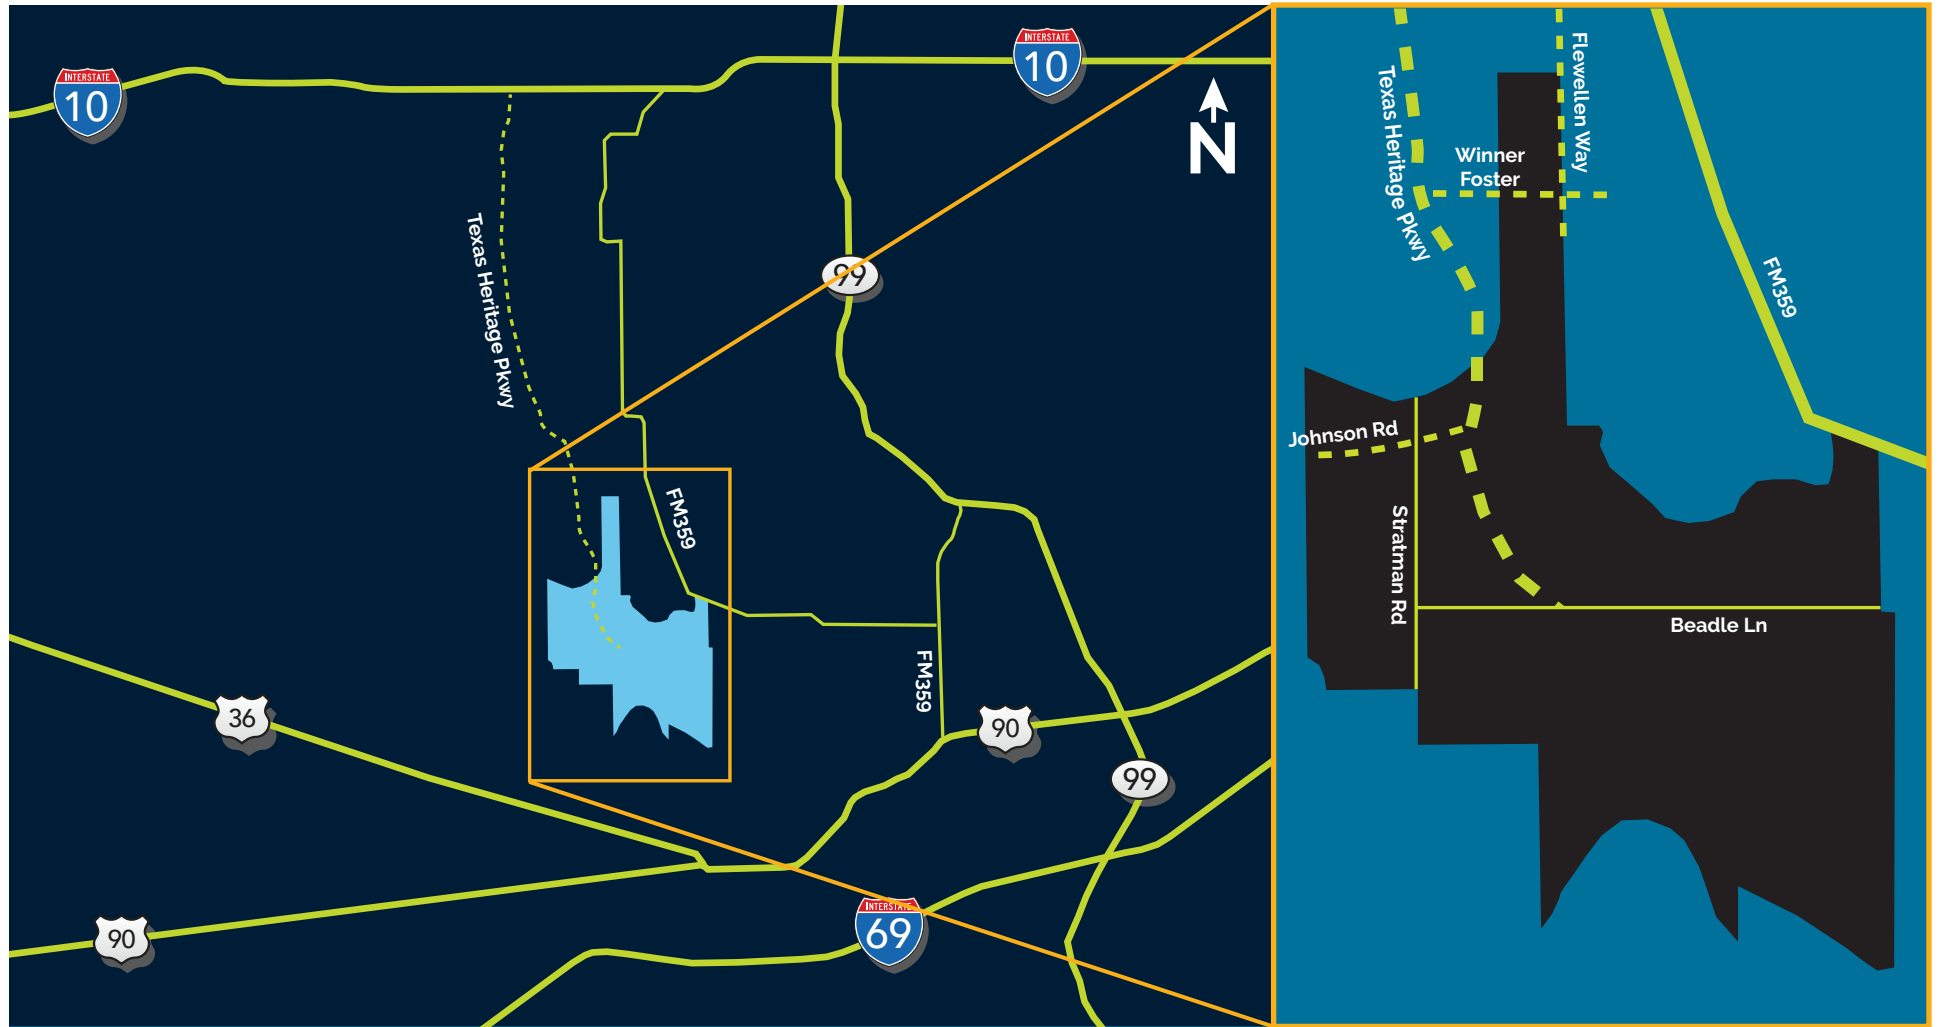

- The **largest** amount of single-family home sales in any submarket
- The **most active** submarket in Houston
- The **lowest availability** of new housing

Residential demand is **high** near **Foster Farms**

The potential 6,500 single family lots and 1,296 multifamily dwelling units proposed for a master planned development at Foster Farms would **meet the current and future high demand.**
